Welcome

On behalf of UNISON South East, thank you for deciding to play an active role in your union. Whether you are a new Steward, Health & Safety rep or Branch Officer you have a very important part to play in the success of our union. The members you represent rely on you to be their voice within your employer and UNISON recognises that you need to be able to rely on your union to support you in carrying out that role.

We have therefore developed a dedicated activist education programme and I'm proud to say that it is second to none. We provide a very wide and varied range of courses tailored to support each and every activist role within the union and we consistently receive very positive feedback from members just like you, who have attended. A UNISON training course not only provides you with the knowledge and skills you need to carry out your role but also sign posts you to where you can receive further support when you're back at work. In addition, members who attend our courses enjoy the opportunity to meet members from other areas and sectors in the region and often go on to meet them at the next level course! And not only will the confidence and skills you gain on the course help you as a UNISON activist, many previous attendees have found that the skills learned on our courses can help you to progress at work as well.

Good luck in your role, your Branch Officers and activists and the Regional staff are here to support you, so if you have any queries, just ask.

Maggi Ferncombe
South East Regional Secretary

Whether you are a new Steward or a long-standing Branch Secretary, your members are entitled to expect you to be the best that you can be and you are entitled to expect UNISON to support you in achieving that. Training is an essential part of that and we believe that the courses in this programme will be a major support for activists across the Region. They will not only give you the knowledge related to grievances, disciplinary action, bargaining, equalities and employment law but they are delivered in a style that is collaborative, inclusive and will boost your confidence and practical skills. You will find the courses enjoyable whether you are new and inexperienced or experienced but want to improve your knowledge.

But the courses only work if you are there – please look through this programme and book yourself on to the courses that meet your needs. If there is a course that you would like which is not already in the programme (or if the course is there but not at a time or place you can attend), tell us about it – details can be found on page 34. We can't promise to meet every need but we will do the best we can and, if you want something, you may be surprised how many others do too.

Good luck!

Chair, Regional Education,
Training & Development Committee

Important Information

Closing dates (CD)

The closing date for all courses in this programme is **TWO WEEKS** before each course starts. Please make every effort to submit your course applications to the Regional Education Officer (REO) before that date. Late applications may mean that you lose a place on the course, that we cannot make arrangements for family care or disabled needs, or even that courses have to be cancelled. Cancelled courses inconvenience everyone and potentially wastes UNISON's valuable resources. If you have any difficulties in submitting applications in time, please contact the REO on **01483 406502** to let them know.

Arranging time off

Members should approach their line manager or supervisor to request time off in the same way as applying for annual leave. If you need help or are having any difficulty you should contact your Branch Secretary. You must arrange time off at the point of applying for the course. Time off with pay is normally available to Stewards/representatives and Branch Officers to attend trade union courses, however not all courses attract time off with pay. Some of our courses are open to member who are not Stewards/representatives and therefore are not normally eligible for time off with pay. If you are in any doubt, contact your Branch Secretary/Branch Education Co-ordinator for advice.

Arranging branch based training

How to arrange a branch based course:

- Contact needs to be made with the REO to discuss your branch's training needs. This should be done on behalf of the branch by the Regional Officer/Organiser in conjunction with an authorised Branch Officer.
- There is a minimum requirement of 12 participants. If a branch cannot meet this minimum, contact should be made with neighbouring branches to make up the number. Ask your Regional Officer or the Regional Education Officer for advice. If you cannot meet the minimum number the region will not be able to provide a tutor.
- The REO will arrange a tutor and the provision of training materials. You should plan on it taking between eight to twelve weeks to arrange, recruit and be delivered.
- The branch is responsible for arranging the venue, catering, publicity, recruitment and covering branch participants' expenses.
- Due to spiralling courier charges the costs of having the course materials delivered to the training venue will be the responsibility of the branch, on course completion, the invoice will be forwarded to the branch for payment to be made directly to the courier company.
- When the REO has identified an appropriate tutor, s/he will pass on the name of the person in the branch responsible for organising the course. The final details of the course – date, times, numbers attending – should be agreed between the branch contact and the tutor. When the details have been finalised the REO should be informed so that the materials can be forwarded.
- The region needs to be informed four weeks before the start of the course of numbers attending and the address for the delivery of materials. If this is not adhered to there is no guarantee the materials will be delivered on time.

ERA (Employment Relations Act 1999) Refresher Training

What is it?

After the introduction of the Employment Relations Act (ERA), UNISON launched a process for the accreditation, ERA certification and training of all Stewards. This includes a commitment to provide regular training for UNISON representatives.

This course is part of that commitment, training our representatives to do their job on behalf of the union and keeping them up to date with any changes.

All UNISON Stewards are offered appropriate training and development opportunities to maintain and develop their skills. We provide courses for the ongoing ERA certification of Stewards who have undertaken refresher or other appropriate training and development within a 5 year period.

The legal position

The Trade Union and Labour Relations (Consolidation) Act 1992 makes provision for trades unions to elect officials in workplaces to act as representatives of the union. The Act, in conjunction with the ACAS Code, requires the employer to give reasonable time off to these trade union officials to carry out duties which are concerned with industrial relations, and to undergo training in aspects of industrial relations. UNISON identifies officials accredited under the 1992 Act as Stewards.

Agreed minimum standards of training for accreditation

The agreed minimum standard for ERA certification is basic steward's training which is:

- The UNISON Stewards' induction course 'The Organising Steward' or
- The Unionlearn basic Stewards' course

It is envisaged that most Stewards will attend training courses organised at regional level. Branches will be able to organise their own courses, providing:

- Tutors are approved trainers accredited either through the UNISON tutor training scheme or by Unionlearn;
- The materials are approved by regions as meeting the agreed standards
- Attendance at training is reported to the region

The agreed minimum standard for the continuing ERA certification of existing Stewards/workplace reps within a five year period is:

- The UNISON Reps' Refresher Course/ERA Re-accreditation course
- The Unionlearn 'Stepping Up' Stage 2 course

or

- Evidence of appropriate on-going training and development related to representation during a 5 year period. For the purposes of this scheme appropriate on-going training and development will include training provided by UNISON or Unionlearn on the following:
 - Employment Law training (at least 1 day)
 - Advanced Dealing with Grievances and Disciplinary training
 - Equality law training – national and regional courses
 - Negotiating Skills training with representation element

or

- Evidence of relevant industrial relations and trades union studies qualifications gained through an academic institution. For example:
 - The Northern College Access to HE Diploma in Labour Studies
 - Ruskin College:
 - Certificate of Higher Education in Labour Relations and Law
 - BA (Hons) International Labour and Trade Union Studies
 - MA International Labour and Trade Union Studies
 - Keele University Part-time Certificate in Industrial Relations
 - TUC Diploma in Contemporary Trade Unionism
 - TUC Diploma in Employment Law

UNISON courses then will provide the minimum standard for re-accreditation

- Further representation skills
- Developing representation skills
- Negotiating skills
- Employment law
- Equality in your branch

Course guidelines

In UNISON everyone has an equal right to benefit from, contribute to and enjoy education and training courses. We also have the right not to be made to feel uncomfortable on courses as a result of the behaviour of others members or tutors. The trade union movement represents all working people, regardless of their sex, race, religious beliefs, sexual orientation, disability or culture. To help us work together successfully, the following guidelines have been drawn up.

Working together

We all bring valuable knowledge, experience and skills to courses – both in terms of our trade union work and our everyday lives. We can help to create the right atmosphere to allow us to share this equally by:

- Listening to what others have to say
- Making any criticism of other course members in a constructive way
- Giving the other course members encouragement and opportunities to speak.

Language

Since all our union representatives need to be good communicators, putting forward your views is an important part of courses. During the course, always use language that you know will not offend others. Language which is sexist or racist or which contains anti-gay or anti-disability sentiments should not be used. Jokes or comments based upon these areas can make others feel uncomfortable. If you experience anything during the course that you feel is not acceptable, please raise it either on the course or privately with the course tutor. Take care not to use initials or jargon terms unless you explain what they mean.

Harassment

There should be no sexual, racial, anti-disability or anti-gay harassment of any kind, including language, comments or actions, both inside and outside course hours.

Outside course hours

The social side of the course is also important. We should make every effort to ensure that everyone can become involved. No one should feel left out, but we should also not put pressure on members to join in activities against their wishes.

Smoking

Smoking is not permitted in the teaching rooms at any time.

Mobile phones/pagers

ALL mobile phones/pagers must be switched off during course sessions.

Finally...

These guidelines are intended to help us all to make sure that no-one feels excluded as a result of the language, actions or attitudes of other course members. They also aim to promote UNISON's policies on equal opportunities in a positive and practical way.

Enjoy the course!

Practicalities

What are our courses like?

Our courses are friendly and informal, so you are invited to dress at all times for comfort. Our training is aimed to make learning a fun rather than daunting experience. Everybody's views and experiences are listened to. Much of the time is spent working in small groups. You won't be lectured at and there are no exams at the end.

How do I apply for a course?

Photocopy and fill in the application form on page 41, giving us all of your contact details, including contact number and email address in case we need to contact you at the last minute. It is also important for you to give us your membership number as not having this information delays our processing of your application.

What do I do when I have completed my form?

Send your completed form to your local UNISON branch for signing by a Branch Officer (usually the Branch Secretary or Education Coordinator) and ask them to send it off to us for you. It is essential that your form has been sent to your local Branch first so that:

- We know your branch supports your application
- They know you have applied
- They can help with paid time off
- They will pay your travel expenses
- They will pay any necessary course fees

If you do not know how to contact your local Branch please call our Regional Office on 01483 406502 to find out.

Are there closing dates for courses?

Yes, the deadline for applications being accepted onto courses is TWO WEEKS before the date the course is due to start. The earlier you apply, the easier it is for us to organise. Most courses operate a minimum of 12 applicants in order to run so please do not delay. Late applications may mean the course has to be cancelled or child/dependant care cannot be organised.

What happens once you receive my application?

Once your form has been signed by a Branch Officer and sent to us at the Regional Office we will put you on the course and send an email to confirm. Approximately a week before the course begins we will send you final details confirming the course start and finish times and venue details (called joining instructions).

What happens if I need to cancel my place on a course?

If for any reason you find that you cannot attend a course on which you have applied for and allocated a place, it is essential that you contact us immediately. Whatever your reason for cancelling it could mean that another member who is on the course waiting list, may be offered a place on the course or that you can be accommodated in some other way. Failure to notify us before the course begins will mean that your Branch will be asked to pay a cancellation fee for you not attending.

We accept applications on a first come first serve basis, so if as sometimes happens a course is full we will try and offer you another option or where applicable add you to a waiting list for a future course. Unfortunately sometimes courses are cancelled, often due to lack of applications. We appreciate that this is frustrating and inconvenient and we do our best to avoid it. Where this is unavoidable we will try and offer you alternative if possible.

I want to attend a course that is being run outside of my Region, can I do this?

Yes, members may take the opportunity to attend courses run by other regions. Applications for these should be made through the relevant region but we do need to be notified as we can amend our training records. Whilst course fees may be similar you need to be aware that accommodation and travel costs tend to make these more expensive for Branches.

Practicalities

I have child care/dependant responsibilities, what can you do to help?

If you require assistance with child or dependant care it is important that you notify us as soon as possible. It may be possible to provide a crèche (crèche facilities are normally provided on request at residential courses) or to assist with costs of child or dependant care at home to allow members to attend courses. Please give details on your application form. If for any reason you no longer require on-course crèche facilities to attend the course, it is essential that you let us know immediately to avoid unnecessary cancellation charges.

If you have a child/children and a partner that you are bringing on a residential course, you will be unable to have place/s at the crèche for childcare.

I have applied for a residential course do I need to book my own accommodation?

No, all of your accommodation will be booked by the Regional Education Administrator.

I have applied for a non-residential course but require overnight accommodation, what do I need to do?

If you require overnight accommodation, please ensure that you confirm you have a place on the course and arrange travel/accommodation through you branch, as the course is non-residential the branch will be expected to pay for this.

I have difficulty climbing stairs, will I still be able to come on the course?

It is UNISON's policy to seek venues that are accessible to all course applicants. Every effort is made to make suitable arrangements for members with disabilities, however facilities do vary between venues. If you are a disabled member please let us know relevant details of your disability when you apply so that we can try and cater for your needs.

I have special dietary requirements, will they be catered for?

In some instances some special dietary requirements can be catered for therefore it is essential that you let us know of any special requirements when filling in your application form.

Do all the courses start and finish at the same time?

Most of our courses are run on a non-residential basis and usually begin at either 9am or 9.30am and finish at 4.30pm on each day. Residential courses are usually held at weekends and normally start with an introduction session at 6pm, then dinner on the Friday evening and finish at approximately 1pm with lunch on the Sunday. These times may vary slightly and you will be notified of the exact timings of the course when you receive the Joining Instructions about a week before the course begins.

Do I have to pay to attend any of the courses?

There is no cost to members for attending any of the courses in this programme. Course fees, where applicable are charged to your local UNISON branch as follows:

● Residential (R) courses – 1 night	£115
● Residential (R) courses – 2 nights	£190
● Non-residential courses – 1 day	£25
● Non-residential courses – 2 days	£40
● Non-residential courses – 3 days	£55
● Non-residential courses – 4 days	£70
● Non-residential courses – 5 days	£85

We will invoice your branch on course completion.

What are the cancellation charges?

Cancellation fees (payable by branches):

- Cancellation before course closing date (2 weeks before start date) – no charge
- Cancellation after closing date in genuine emergency – 50% of course fee
- Cancellation after closing date with no emergency – 100% of course fee. For cancellations after the closing date and before the course starts, where places can be filled with a suitable substitute from the branch or from a regional waiting list there is no charge
- Non-attendance with no notification – 150% of course fee.

Are there any bursaries available to members to attend courses?

Yes, the National Scheme for Financial Assistance for Education is a scheme that provides financial help to members on Trade Union/Labour Studies courses, those in general Non-Vocation Education and via a small scholarship programme supporting member and activist development. There are four types of award available; bursary, flexible bursary, Open University and book grants. For further information, including an application form please contact:

Can I claim my travel expenses for attending a course?

Yes, you can claim any travel expenses you incur by attending a course from your local UNISON Branch by completing an expense form. As allowances vary from branch to branch we would advise you to check how much you can claim. The Branch Secretary or Branch Education Coordinator will be able to help you.

What do I do if I have further questions to ask before I apply for a course?

If you have any queries that have not been covered above or need any further information please contact the Regional Education Team at the Guildford Office. Contact details for the Team are at the front of the programme.

Trained & Active

UNISON is committed to supporting the training and development of all our reps.

Your branch will be able to help you get on the relevant training courses and can allocate you a named contact who will be able to:

- Answer your questions
- Put you in touch with the information and people who can help you along the way
- Have a regular catch up as you become more active in the union

Your contact could be a Branch Officer such as the Branch Education Co-ordinator or an experienced steward. In larger branches, it may be a UNISON activist who has trained as a mentor or a buddy.

UNISON also asks you to be proactive in seeking out opportunities to put your training into practice.

A guide to using short workshops

– Learn and Do

Learn and do means running a short organising workshop which is immediately followed by an opportunity to try out the new skills learnt. These usually are some kind of one to one organising or recruitment activity. A learn and do activity concludes with a de-brief to review how it went and to plan next steps.

Principles

- Always delivered when and where it is needed.
- Organising and campaigning skills need to be embedded into everyday practice at workplace level.
- We have to create the right conditions for activists to try out one to one skills in a safe environment and to build confidence.
- Careful planning can deliver very tangible organising outcomes.
- 'Learn and do' does not replace more formal learning.

For a comprehensive list of all the short workshops available please download from:
www.unionsoutheast.org.uk/union_education

“UNISON values the contribution of every workplace representative, and is committed to providing development opportunities to enable you to fulfil your role effectively, including providing you with a named contact who can point you in the right direction to help you in your role.

These opportunities are designed to benefit you as an individual and as part of a collective organisation.

UNISON expects reps to be proactive in finding opportunities to put into practice the new skills which are covered on training courses and in line with the job outlines for their union role. This means following up on agreed actions, and seeking out information and support to enable you to carry out your role effectively.”
