February 2017

Dear Member

This letter is to invite you to your branch Annual General Meeting.

This year we will be holding 3 meetings one at Crawley 20th March and two at East Surrey Hospital 23rd March, you can attend the one that is easiest for you.

Please see the attached paperwork for full details, nomination forms and the Agenda.

Refreshments will be provided, it is important that you return the slip so that we can cater for the correct number attending.

YOUR UNISON BRANCH NEEDS YOU

This is an important time for the NHS; we are without doubt looking at the largest shake up since the creation of the NHS to the services you provide to the public.

It is vitally important that we have a strong branch in place with more reps and Branch Officers.

2016 has been a difficult time for your UNISON Branch, for a while we had no reps or branch officers.

I am pleased to report we now have 3 reps in the branch but there is room for more if we are to build your branch that is one that can support and represent you through these changes.

Through you supporting and working with your union branch together we can be the union that can make a difference.

WANT TO KNOW MORE?

Continued overleaf...

The branch is keen that all members should be able to attend the AGM. If you would like further information, including details of disabled access and provision for dependant care, please let me know.

We will be electing the Branch Officers and Stewards to represent your views at the Trust and throughout UNISON.

A nomination form is attached and if you are interested in standing for one of the posts or becoming a workplace contact please return the completed form to me.

Yours faithfully

Mick Moriarty
