

# Joint International Seminar

**22 September 2023 | 10am - 3pm**

**UNISON Centre**

South East, London and Eastern Regions are running a joint International Seminar for International Committee members, Branch International Officers or anyone interested in finding out more. The aim of the day is to:

- Identify the role of an International Officer and the work we do
- How to identify a campaign and build support
- Update on UNISON's International Solidarity work

There will be guest speakers and a workshop. Refreshments and lunch will be provided but please speak to your branch as they will need to pay travel expenses.
